Race Information

Just a few things to take note of regarding your race.

Event Summary

The Mud, Paw & Beers — where the trails are muddy, the vibes are high, and the real athletes have four legs.

The rules are simple: keep your dog close, your sense of humour closer, and don't hold back when the mud calls. And when it's all done? A well-earned beer (or alcohol-free option) is waiting at the finish line.

Run wild. Get muddy. Earn your beer.

Prize Giving:

Rules for Dogs:

- Dogs must be well socialized and comfortable around other dogs and people.
- Dogs must be kept on a lead at all times during the event—no exceptions.
- This also means no playing fetch with your dog at race village. It will cause chaos (We speak from experience. Imagine 100 dogs running at 1 ball...).
- Please bring poop bags and dispose of any mess responsibly.

Vendors:

- Feature Coffee - will be available for the early morning caffeine boost.
- Happy Chefs - will have some awesome breakfast buns available.
